Third Sunday of Lent

Nearly every story in John's gospel has an underlying meaning. His imagery and symbols lure us into the story, and then astound us with the true meaning, which we somehow glean without anyone explaining it to us (but please, let me explain it anyway).

Take those five husbands of the Samaritan woman, for example. Hmm... Was it possible for a woman to have married five different men? She certainly could have been widowed many times, given the dangerous times her husbands must have experienced, either as soldiers or the victims of soldiers. Could she herself have initiated and carried out even one divorce on her own? It's doubtful that this woman of suspicious marital history just recklessly went from one man to another. But remember, this is John's gospel. So what's the brilliant, hidden meaning? Might the "five husbands" actually be the five pagan tribes, each with its own pantheon of gods, that the conquering Assyrians sent into Samaria after their conquest of that land in 722 BCE? Over time, they sent tribes from other conquests of Babylon, Cuthah, Avva, Hamath, and Sepharvaim into what was, at one time, Jewish Samaria.

Hence, the five "husbands," the pagan overlords who brought apostasy to Samaria. And that last husband, who's not her husband at all? Chances are that's the strange mix of those five religions that she has pulled together for herself. Or maybe the "five husbands" represent the Samaritan insistence on only following the first five books of the bible, the Pentateuch. Jesus loves quoting the prophets, the Law, and the Psalms. He wants to offer the "living water" of full revelation to this bright, thirsty Samaritan woman.

In what ways do you have layers of meaning in your life?

REKINDLE – SYMBOLON PART 2

Adult Formation Begins March 17 & 18

Rekindle is a welcoming adult faith-formation program for anyone who wants to understand the Catholic faith more clearly—returning Catholics, lifelong Catholics seeking renewal, and adults preparing for First Communion or Confirmation.

Our next eight-week module features Symbolon Part 2: Living the Faith. This series examines the practical side of being Catholic: from understanding the Real Presence in the Eucharist to living a life of prayer and mission. We will explore how "the Truth will set you free" applies to our modern world and how we are called to be disciples in our families and communities. Each session includes prayer, high-quality video presentations, and small-group discussion.

New participants are welcome! You do not need to have attended Part 1 to join us for this module.

- **Tuesday Morning Session:** 9:30–11:00 AM, beginning **March 17**
 - **Wednesday Evening Session:** 6:30–8:00 PM, beginning **March 18**
- Register by contacting the parish office at parishoffice@lafayettecatholic.com.

TERCER DOMINGO DE CUARESMA

Casi todas las historias del evangelio de Juan tienen un significado oculto. Sus imágenes y símbolos nos capturan y nos atraen a la historia, y luego nos asombran con su verdadero significado, que de alguna manera captamos sin que nadie nos lo explique (pero, por favor, déjenme explicárselos de todos modos).

Tomemos como ejemplo a los cinco esposos de la samaritana. Mmm... ¿Era posible que una mujer se hubiera casado con cinco hombres diferentes? Ciertamente, podría haber enviudado muchas veces, dados los tiempos peligrosos que debieron vivir sus esposos, ya sea como soldados o como víctimas de ellos.

¿Podría ella misma haber iniciado y llevado a cabo siquiera un divorcio por sí sola? Es dudoso que esta mujer de dudoso historial matrimonial simplemente cambiara de hombre de forma imprudente.

Pero recuerden, este es el evangelio de Juan. Entonces, ¿cuál es el brillante significado oculto? ¿Podrían los "cinco maridos" ser en realidad las cinco tribus paganas, cada una con su propio panteón de dioses, que los asirios conquistadores enviaron a Samaria tras su conquista de esa tierra en el 722 a. C.? Con el tiempo, enviaron tribus de otras conquistas de Babilonia, Cuta, Abba, Hamat y Sefarvaim a lo que, en su día, fue la Samaria judía.

De ahí salen los cinco "maridos", los señores paganos que trajeron la apostasía a Samaria. ¿Y ese último marido, que no es su marido en absoluto? Probablemente se trate de la extraña mezcla de esas cinco religiones que ella misma ha creado.

O quizás los "cinco maridos" representan la insistencia samaritana en seguir únicamente los primeros cinco libros de la Biblia, el Pentateuco. A Jesús le encanta citar a los profetas, la Ley y los Salmos. Quiere ofrecer el "agua viva" de la revelación completa a esta brillante y sedienta mujer samaritana.

¿De qué maneras tienes capas de significado en tu vida?
